Updated DEERS lately ?

If not, it could affect your eligibility for important benefits, including **TRICARE**.

When you update DEERs, you update your contact information so Medical providers know how to best reach you for appointments or appointments changes.

For more information, go to

www.tricare.osd.mil/DEERS

or visit your local ID Card office.

t moved this summer, take the time to make sure you
ion reflects your new living and working situation. Th

September 2006

Health Benefits Awareness Month.
